Cannabis Storefront Ad-Hoc Committee Application

Town of South Berwick

The Town of South Berwick wishes to create an ad-hoc committee to investigate issues and opportunities pertaining to the establishment of a Cannabis Storefront(s) in the Town of South Berwick. Five community members will be selected from applications and will be facilitated by a contract planner while working through the process. All applications will be kept confidential and reviewed in Executive session by the Town Council. The Town Council will announce the makeup of the Team during a regularly scheduled Town Council meeting. All applications should be delivered to the Town Manager's Office or mailed to Town Manager, 180 Main Street, South Berwick, Maine 03908. or emailed to pellsworth@sbmaine.us This form will be available, along with the Committee Guidelines, at the South Berwick Town Offices during normal business hours and also available on our website. If chosen for this Committee you will be interviewed prior to the results being announced. This is an opportunity to shape South Berwick's future as it pertains to Medical Cannabis Sales in South Berwick. The Committee members will be challenged with soliciting, gathering, and studying impacts to the community with an open mind towards what needs to happen with ordinances that will be created from the results shared by this committee with the Town Council. The Time frame for this Committee to meet will be between mid-February and mid-June. Expectations include regular attendance to a minimum of 2 meetings per month. The Committee appointment will sunset on or before July 01, 2019 unless extended by the Town Council.
