HOME FOR THE HOLIDAYS

History of the Women's Holiday Art Sale:

It all began in a rustic barn 9 years ago in South Berwick. Ashley Kehrig and Tom Keating hosted the first annual "Holiday Art Sale" and invited local women to sell their wares in a warm and festive space. What started as a small, grassroots beginning has flourished into a larger and much loved community event that helped give birth to South Berwick's Home For the Holidays experience.

Most events are happening on Friday night. Please check the participant's listing for more information. We suggest you park at Town Hall or Central School (remember there is plenty of parking on lower Main Street just seconds away from downtown) and begin with:
